VISIONAPARTMENTS EXPANDS IN GERMANY

NEW LOCATION WITH 130 APARTMENTS IN FRANKFURT AM MAIN

Zurich / Frankfurt, 26 April 2018 – **VISIONAPARTMENTS, the Swiss market leader in the serviced apartment sector, is expanding further in Germany and opening a new location in Frankfurt am Main. 130 residential units, shared offices and a welcoming café have been created in the Gutleut district in the heart of the city. The first tenants have already moved in.**

VISIONAPARTMENTS, the Swiss supplier of furnished apartments, is opening a new location in Frankfurt am Main. In total, 130 apartments at Gutleutstrasse 45 are furnished in a Greek or South African style ("Aegean Mood" and "Cape Town Living" respectively) and are available in a wide range of sizes. Starting from a price of €990 per month, tenants can choose freely from a variety of different floor plans – from the small, cosy "XS Studio Apartment" through to the spacious "Senior 2 Bedroom Apartment" with an area of around 50 square metres. All the living units come with a fully fitted kitchen including coffee machine and microwave.

The rental includes not only the service charges but also use of a fitness area and a large number of services such as Wi-Fi, digital TV, weekly cleaning service and final cleaning. In addition, washing machines and dryers are freely available. Those who prefer not to do their own washing can make use of the laundry service for an additional charge. Like the building opened at the end of 2017 in Lausanne, the one in Frankfurt runs on the basis of the "sharing economy": Short-term leases can be taken not only on apartments but also on co-working spaces – by both internal and external guests.

Museumsufer, Central Station and River Main only a few minutes' walk away

The new location is right in the heart of Frankfurt, surrounded by countless restaurants and shopping facilities. The Central Station and the River Main, which offers all sorts of outdoor activities, can be reached on foot in less than five minutes – and if you want to visit the famous museum embankment on Museumsufer, you just need to cross the river. Not least, a café owned by the innovative coffee producers At Origin Coffee will also be opening at Gutleutstrasse 45, so lovers of delicious coffee creations will not even need to leave the building to enjoy a break.
