*Zurich / 25 June 2018* – **VISIONAPARTMENTS, the Swiss market leader in the serviced apartment sector, has appointed a new CEO for VISION Management Services GmbH. Pawel Gawor will manage the company together with VISIONAPARTMENTS' Chief Financial Officer Marcel Stoop.**

VISIONAPARTMENTS, the Swiss serviced apartments provider, has announced today that Pawel Gawor will assume the role as Chief Executive Officer of the company. Pawel has a proven track record not only from prior employments, but has also shown extraordinary performance since he has started working at VISIONAPARTMENTS in 2015.

He kicked off his career at VISIONAPARTMENTS as a development manager, but his position changed quickly and he took on more and more responsibilities and different departments. One of his main achievements was building up a partnership network with serviced apartment providers worldwide. Hand in hand, he established VISIONAPARTMENTS' agency business, making the firm internationally recognized. On top of that, he reorganized the company's facility management and logistics, resulting in a tremendous increase of process efficiency. With his extensive knowledge in operations, he successfully opened several new locations.

Based on his experience, passion and dedication, Pawel is the right person for this new challenge. Anja Graf, Group CEO and Chairwoman of VISIONAPARTMENTS: "Pawel's appointment is a clear reflection of the firm's current state: ready to take VISIONAPARTMENTS to the next level! There are enormous opportunities for VISIONAPARTMENTS that lie ahead, and I could not be more pleased with Pawel leading us there."

"I joined VISIONAPARTMENTS more than three years ago because I wanted to be part of a company where I believed the possibilities were limitless. Today, I am even more convinced that VISIONAPARTMENTS is that company," said Pawel Gawor. "Over the past 20 years, Anja Graf's vision and leadership have built VISIONAPARTMENTS into the main serviced apartments provider in Switzerland and the opportunity to manage this next chapter is humbling but extremely exhilarating. At a time of constant changes in our environment, I could not be more confident in VISIONAPARTMENTS ability to grow, or more honoured to lead this great company. "

Anja Graf, will be involved continuously as Group CEO and Chairwoman and oversee all companies. However, her main focus will lie on the innovative projects like software development, further real estate portfolio growth as well as strategy decisions and investments.
