PRESS RELEASE

VISIONAPARTMENTS EXPANDS IN WESTERN SWITZERLAND

101 ROOMS IN REFURBISHED «HOTEL DE FAMILLE» IN VEVEY

Zurich / Vevey, 29 October 2018 – **VISIONAPARTMENTS expands further and opens up a new location at the Vevey Riviera. At the former, completely refurbished «Hotel de Famille», 101 contemporarily furnished rooms are available for guests effective immediately. The location entirely geared to the concept of shared economy also has shared offices as well as a conference room which may all be used by tenants and external parties alike. The «Hotel de Famille» is VISIONAPARTMENTS' fourth establishment in the Romandie.**

Starting up the «Hotel de Famille» in Vevey enables VISIONAPARTMENTS to grow further in the Swiss Romandie region and offer its services for the first time even outside of Lausanne where the company already has three locations. At Rue des Communaux 20, in the immediate vicinity of the train station and the lakefront promenade, the new house offers 101 rooms furnished in either the Aegean Sea or the South African style. The rent includes services and amenities, such as weekly cleaning, digital TV with international channels or WLAN.

Shared offices, shared kitchen, restaurant and spa

VISIONAPARTMENTS has its concept focus once again on shared economy: The new location has shared offices and a conference room which may all be used by tenants and external parties alike. However, the community concept essentially applies not just for work but also for cooking. This is rendered possible by a shared kitchen with individual, lockable refrigerators and a common dining area. Those not wanting to do any cooking may enjoy to be served at the in-house restaurant or they may order room service. Tenants also have access to an in-house spa with swimming pool, sauna and hammam.
